DEFENDANTS

PLAINTIFF'S MOTION FOR THE CHIEF DISTRICT JUDGE TO RECONSIDER HIS FINAL
JUDGMENT

Comes now Plaintiff Curtis Duncan, Sole Proprietor/Owner of C & J Associates Pest Control
requests that your Honor reconsider his Final Judgment entered on March 3, 2008. Your Honor's Order

arbitrarily refuses to address any of the material facts Plaintiff raised in my lawsuit. This Court has arbitrarily refused to let a Pro-Se Plaintiff amend his Complaint. The Complaint and supporting letters clearly documents that the Defendants participated in a conspiracy to violate Plaintiff Civil Rights during entire bid process and during Plaintiff performance of Pest Control Contract for Mental Health and Retardations. My Complaint documents that the Defendants violated Plaintiff Statutory Rights under the Freedom of Information Act and the State of Alabama Bid Law to view the Public Bid files.

This Court has a bias for Plaintiff because his race and Pro-Se status. This Court is dishing out some good ole fashion Southern Justice, which is arbitrary to existing Federal Law and the Federal Rules and Procedures. This Court is enabling the Defendants to carry out their conspiracy by arbitrarily ignoring the material facts of this lawsuit.

Plaintiff lawsuit is not only a Civil Rights lawsuit, but also is a False Claims Lawsuit (Whistleblower Lawsuit). This Court is arbitrary trying to dismiss Plaintiff lawsuit as state claims when this Court has proper jurisdiction under the False Claims Act. This Court has prevented Plaintiff from amending False Claim to the lawsuit. This Court is arbitrary and prematurely trying to dismiss Plaintiff Lawsuit, by preventing Plaintiff from viewing a Public File that has been tampered with. The bid file is essential to the writing of my Complaint and the success of my lawsuit and this Court is helping the Defendants in this scheme. Plaintiff has cited all the proper legal authorities in my previous Motions. My lawsuit is a Civil lawsuit, but it involves criminal activity, Plaintiff will be turning the documents submitted to this Court over to the proper authorities to investigate.

Plaintiff is asking Your Honor to reconsider Order to Dismiss my lawsuit and issue and Order for Discovery.

Respectfully submitted,

 4-2-08
